# Society Policy

FK Visors is the registered trademark of Forbikes s.r.l., a company that since 1980 has combined artisanal expertise with a focus on the latest technologies, providing customers with qualified technicians and cutting-edge machinery.

We have made active listening our philosophy; we seek to fully understand the needs of our customers and potential customers to better develop their projects and provide improvement ideas, creating new synergies.

The creation and development of these synergies has allowed us to become a point of reference for the Italian and international markets, placing our professionalism at the service of the best helmet brands in the automotive, motorcycle, healthcare, cycling, aviation, and winter sports sectors.

Today, FK Visors brand represents a modern and innovative company, always attentive to the needs of its customers and ready to face the challenges of the future.

Having assessed the context in which companies operate, in order to meet and exceed customer expectations, Forbikes s.r.l. intends to pursue the following objectives:

- actively collaborate with its customers to understand their specific requests and meet their needs, positioning itself as a trusted partner in the market;
- consider our suppliers as partners, rather than mere service providers, and share customer needs with them;
- achieve, maintain, and improve the highest level of product quality, paying particular attention to the thermoforming phases and subsequent quality control;
- ensure that products and services meet quality requirements in accordance with national/international standards and required specifications;
- foster the development of its human resources through ongoing staff training, involving them in all quality-related activities;
- implement and maintain the company's Quality System.

FORBIKES s.r.l. is committed to providing the resources necessary to implement the above, always weighing risks and opportunities, seeking to identify and meet the needs and expectations of interested parties.
